<p>Note: In the Pontypridd2 v Llanishen 2 match Pontypridd admitted that they had played an ineligible player (no complaint from Llanishen) and league rules state the match to be forfeit. In circumstances where a team admits default this seems harsh (fofeit of the game would have meant a tied match) and it militates against teams owning up to a mistake. The Rule will be reviewed for next season. I thank and commend Pontypridd for their honesty in the3 circumstances.</p>
